

BoikanyoDestiny

"Focused Leadership, Purpose in Transit"

Company Profile

About us

Boikanyodestiny (Pty) Ltd is a dynamic, 100% black-owned enterprise which was established in 2017 by a woman. It was founded with a clear vision to advance economic empowerment, with a commitment to delivering innovative, sustainable, and dependable solutions across diverse sectors. Boikanyodestiny strives to create opportunities, build lasting partnerships, and provide services that drive progress in communities and industries alike.

Our journey began with a focus on logistics and transportation, but has since expanded to include construction making Boikanyodestiny a diversified enterprise capable of handling complex projects with precision, safety, and integrity.

We pride ourselves on excellence, compliance with all industry regulations, and a client-centered approach that ensures every project is delivered on time and to the highest standard.

Our Mission

To provide safe, efficient, and innovative services in transport and construction while creating opportunities that empower communities and foster sustainable growth.

Our Vision

To be a leading multi-disciplinary enterprise in Southern Africa, recognized for reliability, integrity, and excellence in service delivery.

Our Values

Integrity

We operate with honesty, transparency, and professionalism at every stage.

Excellence

We aim for the highest standards in everything we do.

Innovation

We embrace modern solutions for lasting impact.

Empowerment

We are committed to uplifting historically disadvantaged communities.

Safety

We prioritize the well-being of our employees, clients, and the environment.

-

Strategic Leadership

Jeanette Khutsafalo Mabule
Founder & Director

Jeanette Mabule is the founder and director of Boikanyodestiny Pty Ltd, a Rustenburg-based enterprise established in 2017 to empower women and communities through strategic services in transportation, construction, and stakeholder engagement.

She has over 28 years of experience in public sector leadership, traffic law enforcement, and

and municipal coordination, Jeanette brings deep operational insight and a strong commitment to transformation. She holds multiple qualifications including a Postgraduate Diploma in Management, a Diploma in Transport Management, and is currently pursuing her MBA at Regent Business School.

Jeanette continues to position her businesses as catalysts for inclusive development, supply chain excellence, and legacy-building in mining-adjacent communities.
